

## OUR PARENT/CARER CHARTER

BeBright Pre School is built upon positive, clear family values and as a setting we are wholly committed to supporting children and families during their time at BeBright.

We actively promote the expectations detailed in our charter every day at BeBright Pre School with our clear pre school aims and what we deem as acceptable conduct from all adults, children and partners that we come into contact with on a daily basis.

### Democracy

At BeBright Pre School every child is actively encouraged to have a voice and demonstrate a sense of self. This is achieved through various forms including verbal and non verbal methods of voting for their desired outcome. Every child should feel valued and we will ensure that this is promoted during their time with us.

We encourage children to understand their own and others behaviour and its consequences to help distinguish right from wrong. We work alongside the children to create rules and pre school expectations that everyone should work together to implement the rules such as helping to tidy up, using gentle hands and kind words.

We provide opportunities for children to develop the self knowledge, self esteem and increase their confidence in their own abilities, for example the children are encouraged to manage their own risk when exploring the climbing equipment in the garden.

We implement and encourage a range of experiences that allow the children to explore the language of feelings and responsibility, reflect on their differences and understand everyone is free to have different opinions.

We create an ethos of inclusivity and tolerance where faith, cultures and races are valued and celebrated. We provide resources and activities that challenge gender, cultural and racial stereotyping.

We want to work in partnership with you to ensure that your child makes the most of their learning at BeBright Pre School.
